WARNING ABOUT INHERENT DANGERS OF BASEBALL:

The Rules and Procedures issued by the SWBL are designed to maximise the enjoyment, fairness and safety of our game. Officials and players should be aware that baseball, like all sports, will always have inherent dangers. Some of these dangers arise from batted balls and collisions with other players. Care should be taken by all concerned to minimise such dangers through the use of appropriate equipment (including protective equipment), proper training methods and awareness of risks.

INDEMNITY:

I hereby agree to abide by the constitution, rules and by-laws of the Sydney Women's Baseball League (SWBL) available on the website (www.swbl.org) or upon request. I hereby grant the SWBL or an official the authority to seek ambulance &/or medical attention if required. I hereby agree to indemnify the SWBL against all claims, liabilities, proceedings, losses, damages, fees and expenses whatsoever incurred or arising out of or in connection with or in consequences of the membership, attendance, activity, game, meeting or social activity that I am involved in. Players who participate in games while intoxicated (alcohol or other illicit drugs) forfeit their right to 'players insurance'. I agree not to take the field under these circumstances. Baseball is a physical sport, please seek medical advice if you have any prior conditions.

Please sign below that you have read and agree with the Indemnity, you are of the Inherent Dangers of Baseball, and that the information you have provided in this form is true and accurate.
